International Bodyguard Academy Inc.

These activities are accessible to:

To anyone (male or female) who is interested in discovering firearms.

Corporations: Incentive, marketing or simply rewarding your employees. Students must be 18 years of age with no criminal record. It is not obligatory to have the Canadian firearms possession and acquisition license to participate in these activities.

What about safety?

Each activity will begin with a firearms safety course plus shooting range regulations. The firearms instructor is always accompanied by a security official either from the Academy or the shooting range (depending on the particularities of certain shooting ranges).

Prior training needed?

No, we start at the beginning: firearms safety and shooting techniques. Each person may stop when they desire or slow down the rhythm of your shooting. It stays a leisurely activity.

What is the length of each activity?

Individual training and coaching: minimum 2 hour class
Team building training: minimum 4 hour class
Marketing and reward days, shooting and BBQ's the minimum length is 4 hours but the best is around 6 hours.
